

## Regina Shore

My mom has influenced me the most because she helps me with so much stuff, she also helped me when a rooster was chasing me. She helps my grandma with lots of stuff to . She has encouraged me to help people if they need help, to do my homework and chores. She made me. She does most of the household jobs such as doing most of the dishes when I'm not home , getting the mail , taking care of our animals we own and does most of the cooking. She gives me a home to stay at and a roof over my head and pays for our food. She influences me by encouraging me to eat healthier and to stay on track with my work. She motivates me and she makes me feel like I don't need to change myself to fit in with others. My mom is positive because when she wakes me up in the morning she has a smile on her face. She makes me happy and positive.
