

Randi Polite 3/3/23

The person who I feel has a positive influence on not just me but everyone who talks to her is Mrs. Passalacqua the third grade teacher. I say this cause anytime I talk to her she always has a big smile on her face. She always says hello or good morning in such a sweet tone every morning I walk by. She's also very respectful to teachers, kids and everyone else she talks to. She always finds a way to put a smile on peoples faces. She is one of the big reasons I come to school excited every day with a smile on my face. Her students are really lucky to have a awesome teacher like her. Mrs. Passalacqua is also really funny and has a positive attitude. She's always in a good mood and I have never seen her in a bad mood. She always tells me to have a good rest of my day. Even if she doesn't have a joke to tell she can always make me laugh. Just talking to her makes a whole impact on my attitude and mood.

for the day. I believe if she can  
make my mood a zero to one hundred  
she could do it to everyone too. Even  
though she didn't teach me or that  
I don't know her personally she can  
really make me feel better. She inspires  
me to become a teacher and have a  
serious but fun classroom attitude.  
She seems always so eager to  
start her day in the classroom.  
She really seems like a  
wonderful teacher. She is  
the one who made me excited  
to do Girls On The Run and I  
just love talking to her. I am  
very fortunate to have her in my  
life. I love how confident she is.  
Mrs. Passalacqua is a very good teacher  
and she is the person who has a  
positive influence on me.
